03:24 you're gonna actually cook it
03:27 and it you're gonna bake it for
03:30 about six hours it's definitely a
03:32 long time so keep in mind that it's
03:34 basically just dehydrating it
+ 03:50 after what seems like an eternity in
03:53 the oven you're going to take it out
03:55 it's actually dehydrated at that point
03:57 which is fabulous because you can
03:59 pull it right off the baking sheet and
04:01 you're going to put it on to some
04:03 parchment paper and then you're
